HOW TO APPLY

Thank you for your interest in exhibiting at Art in Clay Windsor 2023.

STEP 1

The first stage of the process is to fill in the online application form and ensure you submit it by Friday 16th December 2022. Before you fill out the online application form please ensure that you have read through this pack including our terms and conditions first.

With your online application form you will now need to pay an administration fee of £20 (including VAT) to apply, this covers the costs of the selection process.

Once you have submitted your online application form it will then go through a selection process, whereby exhibitors will be chosen to ensure there is a wide range of individual ceramic makers represented at Art in Clay Windsor. Please be aware that unfortunately not everyone that applies is guaranteed a place at the show due to the large number of applicants.

STEP 2

Following the selection process exhibitors will be notified by Friday 20th January 2023. At the point of notification exhibitors will then have to secure their stand space with a £100 + VAT (£120) deposit which can be paid for by cheque or BACS to Art in Clay by Friday 17th February 2023 at the latest.

STEP 3

Invoices for Stand Fees will then be sent out in May and payment will need to be made by cheque or BACS by the latest Friday 26th May 2023.

FILLING OUT THE ONLINE APPLICATION FORM

Please complete ALL sections of the booking form clearly. Think carefully about the number of tables, chairs and power you require – these are only available when booked in advance on your form and can not be added during set up.

Following the selection process notification will be sent out and a BACS deposit of £120 will be required to secure your place at the event. The remaining balance will then be payable by 26th May 2023.

Please ensure that you upload 6 high quality digital images (300dpi) of your current work with a title of your image in the following format: Surname, first name, and title of piece. Upload images that show your work at it's best as this will be a big part of our selection process.

YOUR STAND SPACE & DISPLAY

Setting up takes place on Thursday 17th August 2023 from 10am – 7pm.

There is no setting up on the Friday show.

All stands will be 2.5 metres in depth and the width will range from 3 – 5 metres depending on which option you choose.

You will be given a bare space unless you request any tables or chairs (additional costs apply).

YOUR DISPLAY

Please be aware that as this is a marquee event your stand will be positioned on grass so please ensure that you do not secure any displays to the marquees (they may move with the wind which is why we have allowed for 2.5m depth to ensure you leave enough space between the marquee and your stand).

Please be aware that the ground can be uneven in places.

Please try to show your work with a high standard of presentation. All tables should be covered to the floor with a cloth, and lighting is important in enhancing your display. It is also worthwhile thinking about surrounding your stand with a backdrop cloth, all these finishing touches focus attention on your display. We recommend you bring a range of work including examples of your best pieces along with more affordable items.

If this is your first year displaying and would like some past stand examples please get in touch and we can send you some stand images.

DEMONSTRATIONS & TALKS

This is an important element of this event. Small demonstrations such as decorating and hand-building should be incorporated into your stand, extra space is available for large demonstrations such as throwing but must be requested and agreed prior to the event. Firing is only possible in the open air. You should bring your own equipment, as we do not hold any stock.

▶ Demonstrations

For those of you who wish to demonstrate at your stand we will pay £50 (+ VAT if applicable). Please note that the exhibitor will need to invoice Art in Clay for this by Friday 26th May 2023.

▶ Talks

For those of you who wish to give a talk or demonstration on stage a fee of £100 (+ VAT if applicable) per talk will be paid. Please note that the exhibitor will need to invoice Art in Clay for this by Friday 26th May 2023.

Talks and/or demonstrations will be subject to agreement in order to offer a varied programme to visitors. Please note that any additional space requested will also need to be confirmed.

AWARDS

Three awards are given at the show, two annual and one that is bi-annual:
